

A photograph of a tree with vibrant red leaves. Several colorful, patterned bags are hanging from the branches. One bag on the left is teal with a red and white pattern. Two bags on the right are white with orange and red patterns. A third bag, partially visible at the bottom, has a brown and white pattern. In the background, there is a building with a white roof and green foliage. The scene is brightly lit, suggesting a sunny day.

FINAL PROPOSAL

CONCEPT

- My final project will be continuation website for my friend's social enterprise. The enterprise is called Esther Nzuzi which sells purses on Etsy and uses 10% of the profits to raise money for as many sewing machines as possible for Luila Village Ministries in the Democratic Republic of Congo.

SKILLS WE LEARNED

- Menu/Nav Bar
- JavaScript
- Google fonts
- Positioning
- jQuery
- Inline Block
- CSS styling
- Hover effects
- Bootstrap
- GSAP

SKILLS I NEED TO LEARN

- Adding a slideshow
- Scroll to different parts of page by clicking a button
- Adding a video background
- Creating a pop-out window for Quick View of products
-

WEBSITE INSPIRATIONS

- <https://luilavillage.org> (slideshow)
- <https://www.forever21.com/us/shop/Catalog/Category/f21/app-main> (quick view)
- <https://wearelane.com> (Front page)

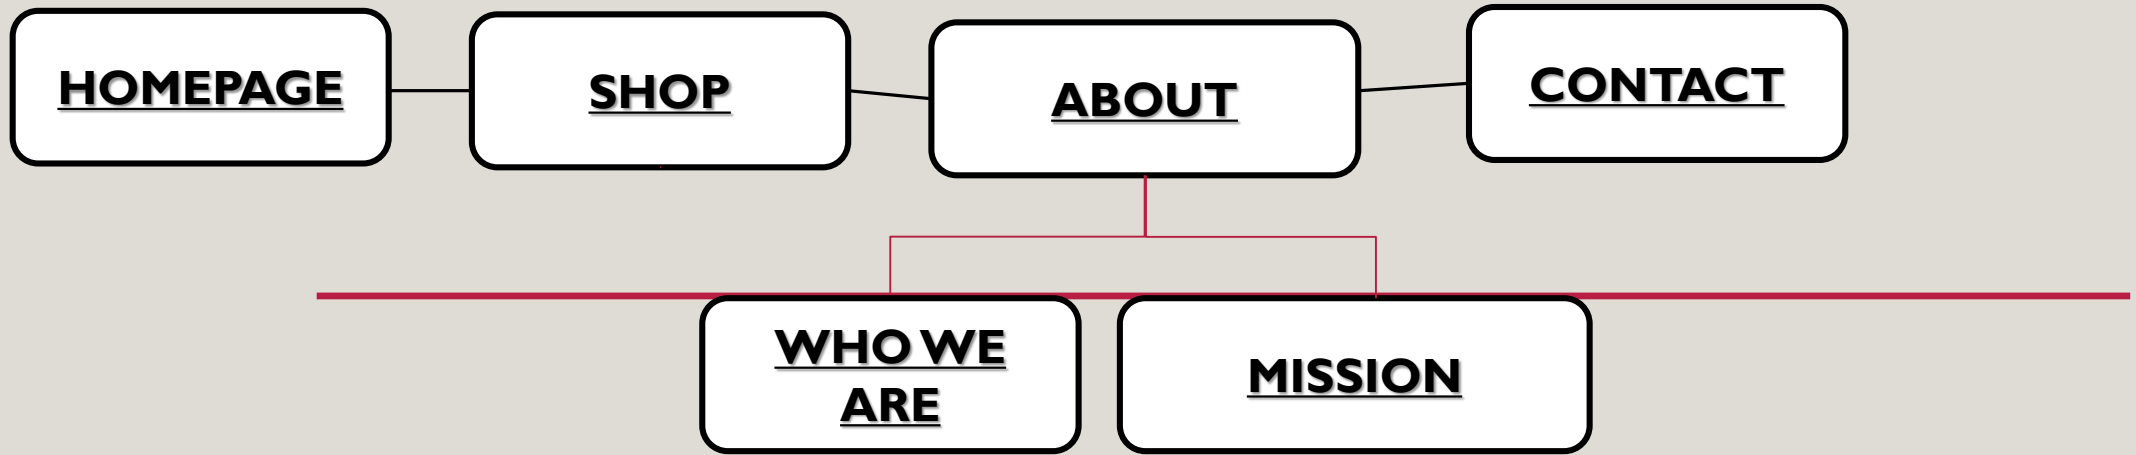

CHANGES TO BE MADE

- Change the navbar to accommodate Bootstrap navbar template
- Add video background instead of gif for home page
- Add carousel instead of basic slideshow for Mission page
- Have dropdown menu option to make 'About' and 'Who We Are' a single slot in the navbar
- Have a sticky footer
- Use Bootstrap 'cover' for background images

CHANGES TO BE MADE (CONT'D)

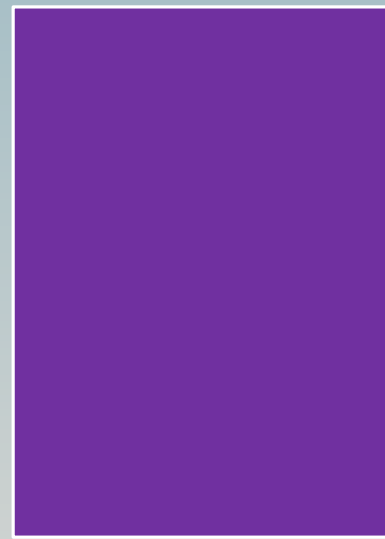

- Use grid system
- Add type writer effect to company name on homepage
- Use Bootstrap form
- Use Bootstrap modal for Shop page
- Experiment with parallax for background (maybe)
